Arranging Matches. The first named player (the challenger) is responsible for contacting his opponent (the challengee) to arrange a date for the tie and where necessary must offer 3 reasonable dates. However, the challengee may make the initial contact particularly if the challenger is slow to act. **TIES MUST BE COMPLETED BY THE DUE DATE.** Extensions are not normally allowed and, if no name is put forward by the due date, the challenger will be scratched. Any unresolved difficulties should be referred to the Match Secretary **BEFORE** the due date.

Square Matches. If conditions allow, square matches will be resolved by playing 3 extra holes followed - if still all square - by sudden death, with strokes to be taken as appropriate from the index; otherwise the match must be replayed.
