NB: Arranging Matches The onus is on the first named player to contact his opponent to arrange a date to play a tie. However the second named player is free to do so also and it would be helpful if that were done where contact is slow in being made. Three reasonable dates should be offered if agreement is proving difficult and any further problems should be referred to the Match Secretary well before the tie due date. Please play the tie by the due date – no extensions of dates allowed. **SQUARE MATCHES -REPLAY**
