

## INFORMATION FOR SEASON- TICKET HOLDERS

## WINTER WORKS 2016-17

### Projects requested by R&A

#### The Buddon

- From November 2016, the 18th hole will be closed for play. This is to allow the creation of a new practice tee, relevant hitting areas and an extension to the existing green.
- The 1st hole will be a reduced length, with the tee over the burn (approx at the existing junior tee) Play will finish on the 17th and exit will be by the existing road.

#### The Championship

- 2nd: There will be a new link road behind the tee.
- 3rd: The creation of a fairway at the RHS of the bunkers, which will be repositioned
- 9th/12th: There will be new mounding for improved spectator visibility.
- All holes: Bunker revetments, approximately 30

### Works by CGLMC

#### The Championship

- 6th: New irrigation pipes from the fairway up to the green and to the 7th tee.
- 10th: There will be no access over the bridge at the LHS of the 10th burn, as it is being raised and rebuilt to reduce flooding.

#### Burnside

- The new green on the 16th will be open for play by April 2017 (New season)
- There will, therefore, be creation of new tees on the 16th & 17th, including re-alignment of the existing road.

#### The Buddon

- 8th/9th: Pond maintenance as per existing ecological plan
- 14th: The greenside bunker on the RHS will be filled in to create a run- off area and the mounding at the back of this green will be altered. Also to create a run off.
